

Global Map of Irrigated Area at the End of the Last Millennium: Beta release

Legend

- Irrigation (major, type 1)
- Irrigated (minor), with shrub dominant rangeland/wetland mix
- Irrigation (major, type 2)
- Irrigated (any-rice,wheat) with some grass/shrubs
- Irrigation (major, mixed crops, type 3)
- Irrigation (major, mixed crops, type 4)
- Irrigated (any) with some Grasslands
- Irrigated (any) with woodland, natural vegetation mosaic
- Irrigated (any) and intense agriculture
- Irrigated (any) and intense agriculture in wetlands
- Irrigated (any) with savanna/woodland mix
- Irrigated (any) and continuous cropping (some plantation crops)
- Irrigated (any) with mix of forest fragments
- Irrigated (any) with grasslands and forest/shrublands
- Irrigated (continuous), forest fragmented mix
- Irrigated, flooded, wetland forests
- Irrigated (major and minor tanks with some supplemental)
- Irrigated (any-double crop) with dry cropland and pasture
- Irrigated (any) and tropical forest mosaic
- Irrigated (supplemental)
- Irrigated (supplemental) and Cropland (rainfed) mixed
- Irrigated (supplemental with wells/bore, minor tanks), cropland (rainfed)
- Irrigated (supplemental) and Cropland (rainfed) mix
- Irrigated (any) and Irrigated (supplemental)
- Irrigated (supplemental) and forest mosaic, secondary growth
- Irrigated (supplemental), some forest fragments
- Irrigated (supplemental) and continuous cropping
- Irrigated (supplemental) with grasslands mosaic
- Irrigated (supplemental and pivotal) and with some grasslands (Asia)
- Irrigated (supplemental with wells/bore wells, minor tanks, wetlands), cropland (rainfed)
- Irrigated (supplemental) and grasslands
- Irrigated (supplemental) with cropland (rainfed) and forest fragments
- Rangelands (grassland dominant), with some crops (rainfed and supplemental)
- Forests with irrigation mosaic
- Wetlands and irrigation
- Cropland (rainfed) and grassland and some irrigation (supplemental)
- Cropland (rainfed with supplemental irrigation)
- Cropland (rainfed with supplemental irrigation) and natural vegetation mix
- Cropland (rainfed and Irrigated supplemental) with rangelands
- Cropland (rainfed and irrigated minor/supplemental) with some shrublands
- Forest, wetlands and irrigated (supplemental) mosaic
- Cropland (supplemental) and Forest evergreen (fragmented)
- Forest (mixed), Irrigated (Supplemental), cropland (rainfed) and savanna
- Cropland (Irrigated and rainfed mix) with Woodlands
- Wetlands natural and irrigated
- Cropland (rainfed and some irrigated) with Woodlands
- Wetlands (wooded) with crops (Irrigated), savannas
- Cropland (rainfed) and rangelands with some irrigation (supplemental)
- Wetlands and Irrigated (wetland)
- Cropland (rainfed and irrigated) and scrubland/grassland and
- Forest (mixed), croplands (rainfed) specially in hill slopes, some irrigated mosaic
- Forest (evergreen broadleaf), cropland/woodland mosaic with irrigated
- Forest (evergreen broadleaf) with cropland and some irrigated
- Other areas and ocean
